

Chair's Message

Hi, everyone, and welcome to the 2nd-Quarter Edition of the 2009-2010 Tally Sheet.

Last month we held our Fall Conference event, and it was a huge success. If you missed it, we will soon be preparing for our Spring-2010 Conference; make sure to watch for the announcements.

Because we have so many Members out of work this year, and others possibly interested in new employment opportunities, we are going to bypass the 'usual' December Plant Tour and bring to you an ASQ Holiday Party, and an evening of fun with **Sonya Weiland** at the 356th Fighter Group Restaurant. Sonya will teach us how to 'market' ourselves effectively, and to find that next professional position using many helpful tools at our disposal. You won't want to miss this opportunity to learn something new that might help you with employment now, or in the future.

Coming up in January, we will have our own **Joe Decker** (ASQ CQE, CQA, CMQ/OE), Section Treasurer, and **Jim Houser** (ASQ CQE), Section Secretary, bringing us FMEA and "5S", respectively. In February, **Larry Vance** and **Bo Keyes** will be joining us to present "Defining Key Measurables". We have a lot planned for you this season, so make sure you save the 3rd Thursday of each month to join us at the 356th Fighter Group Restaurant for all of our informational presentations.

The 2009-2010 Member Directory, compiled by Section Newsletter Editor Michael Marley (ASQ CQE, CQA, CMQ/OE), can be found on our website, at www.asq810.org. Make sure to check it out, and see "who's who" in your Section.

As always, we hope to see you at one of our events soon. **Happy Holidays**; I hope you all have peace and prosper in the New Year!

Member 'Directory' Replaces Program Calendar For 2009-2010.

In lieu of a printed Program Calendar for this 2009-2010 Program Year, a Member 'Directory' has been compiled. This information is similar to what had been found in previous Calendars, regarding ASQ information of the Section Membership.

The 'Directory' can be found on the Section Web Site, @ www.asq810.org.

Look for it at the bottom of the 'Program Calendar' Section.

Fall-2009 Conference Deemed A 'Success' !!

Over 40 individuals took time from their busy schedules to participate in the Section's Annual Fall Conference this past October 16th. And, based upon input received at the end of the day, they were not disappointed with what they heard.

Kudos to the entire Section Conference Committee, headed by Committee Chair **George W. Bush (ASQ CQA)**, for the effort & preparation that went into this Conference.

For those Section Members that missed this day of networking, watch for upcoming details on the Section's **Spring-2010 Conference !!**
